This week we were introduced to the sounds d, g, o, u and the word ‘the’. The children have been practising recognising, saying and writing these letters. In Maths we continued counting to 10 and we learnt about the times of the day. We are learning about toys and how they work, what they feel like and what they are made of.

Letter Day will be held on Tuesday. The children are asked to come dressed as something that begins with their favourite letter. This could be the first letter of their name, for example J could be a Juggler or L could be a Lion. Christian Religious Education (CRE) will begin next Friday.
